Fairy Tales

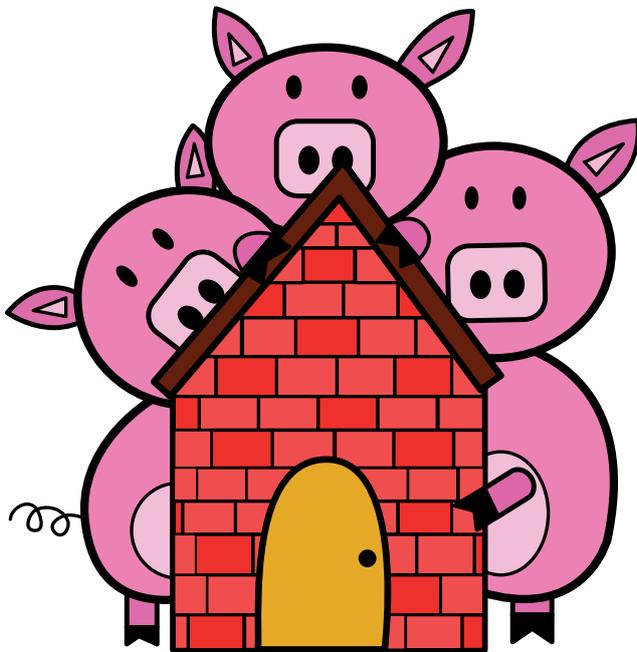

Fairy Tales

What are fairy tales?

A fairy tale is a story in which a **lot of magical events happen**.

For example, in the story about the **three little pigs**, the big bad wolf can destroy a house made of straw and another one made of wood with a single blow. Or in **Puss in Boots**, the cat who is the hero of the story, can speak and it's him who saves the kingdom from an ugly ogre!

Cut and paste

You need:

-  1 pair of scissors
-  Crayons
-  Glue

Color, cut the pattern and form a dice by folding the sides of the die and glue them through tabs.

Color without exceeding

You need:

 Felt pens

Colour each box with the correct color.

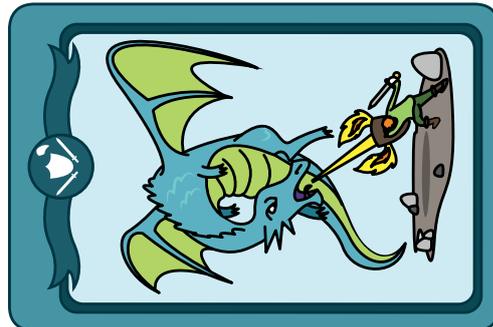

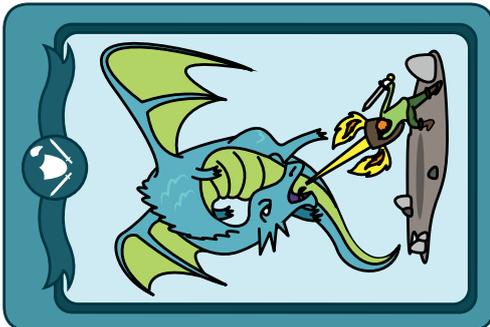

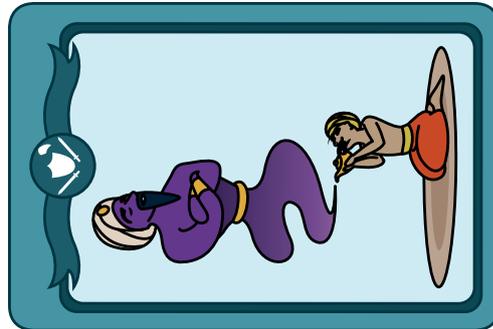

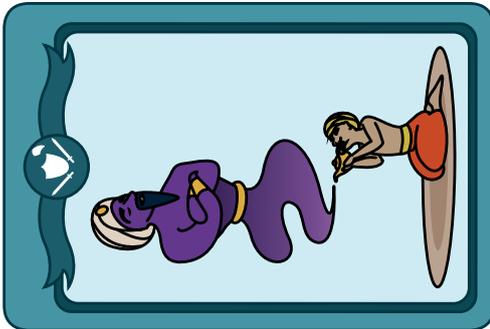

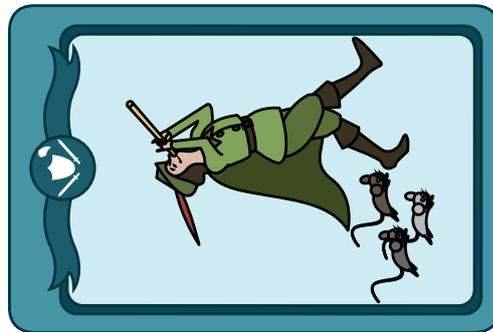

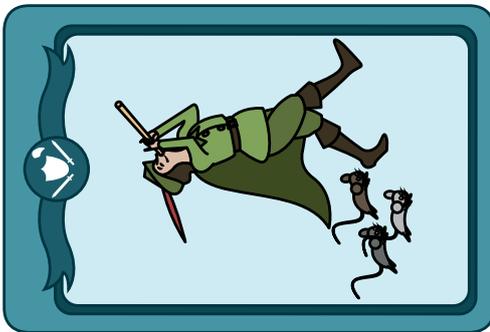

Memory game

You need :

✂ 1 pair of scissors

Make a memory game. Cut each picture then glue on a square of cardboard. Found pairs by turning the cards one by one. You can play alone or with friend or family. If you have already worked on other Bic Kids universes, you can also combine cards of different universes to make the game more difficult.
