

My activity book

Blank writing area with dashed lines for handwriting practice.

Space

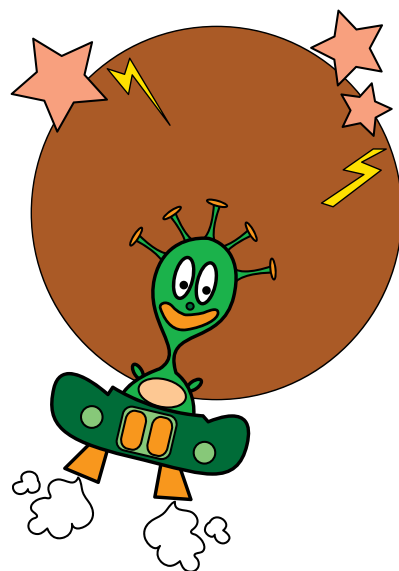

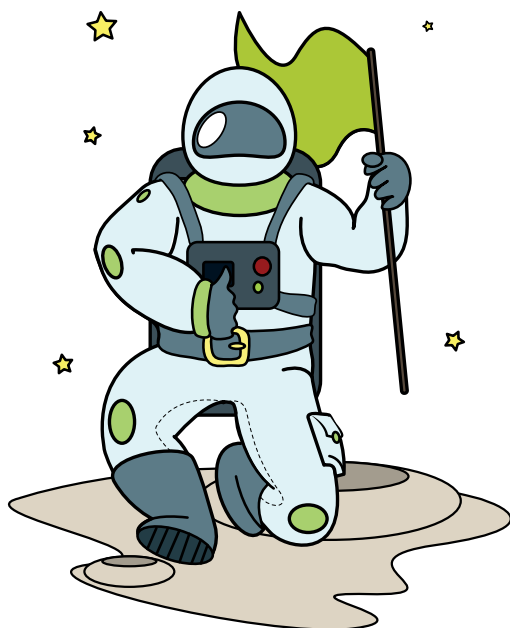

Space

What is space?

Space refers to the **areas of the universe** lie beyond the planets, stars and galaxies. But we can also speak of space to define all that is **beyond the Planet Earth**. Thanks to **astronomy**, which is the science of stargazing, we know the existence of a much larger universe than our little planet Earth.

Man knows how to move in space, they are **astronauts** or **cosmonauts** who make space travel with **rockets**.

Many people think that other planets are inhabited by beings living called «**Martian**» if they live on Mars or wider «**Aliens**» if they live elsewhere than on Earth, but today we do not know yet if this is true.

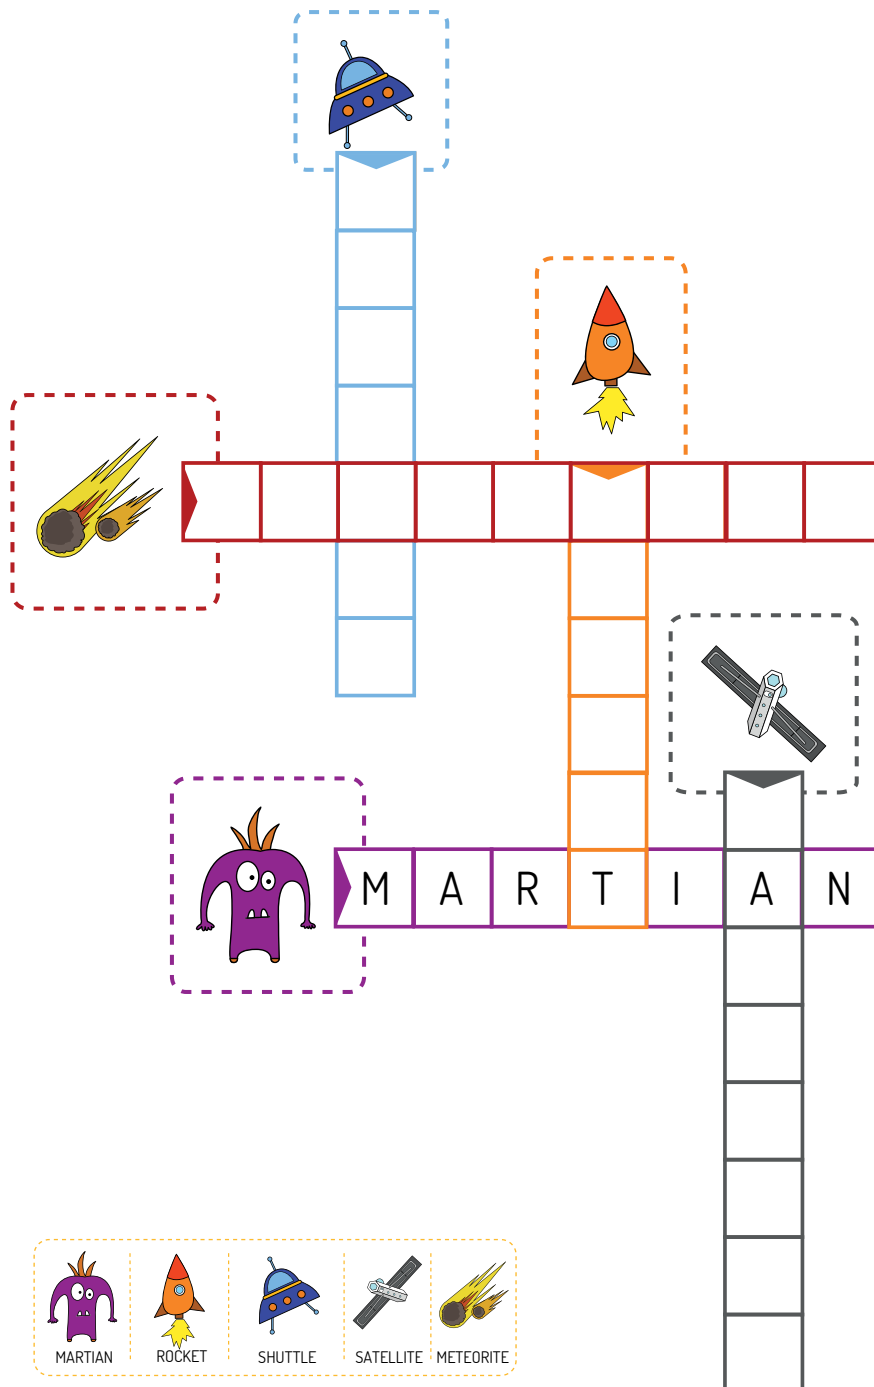

Identify letters,
reproduce and write them

You need:

 1 pen

Filled boxes crossword with the words in the box below.

M A R T I A N

MARTIAN ROCKET SHUTTLE SATELLITE METEORITE

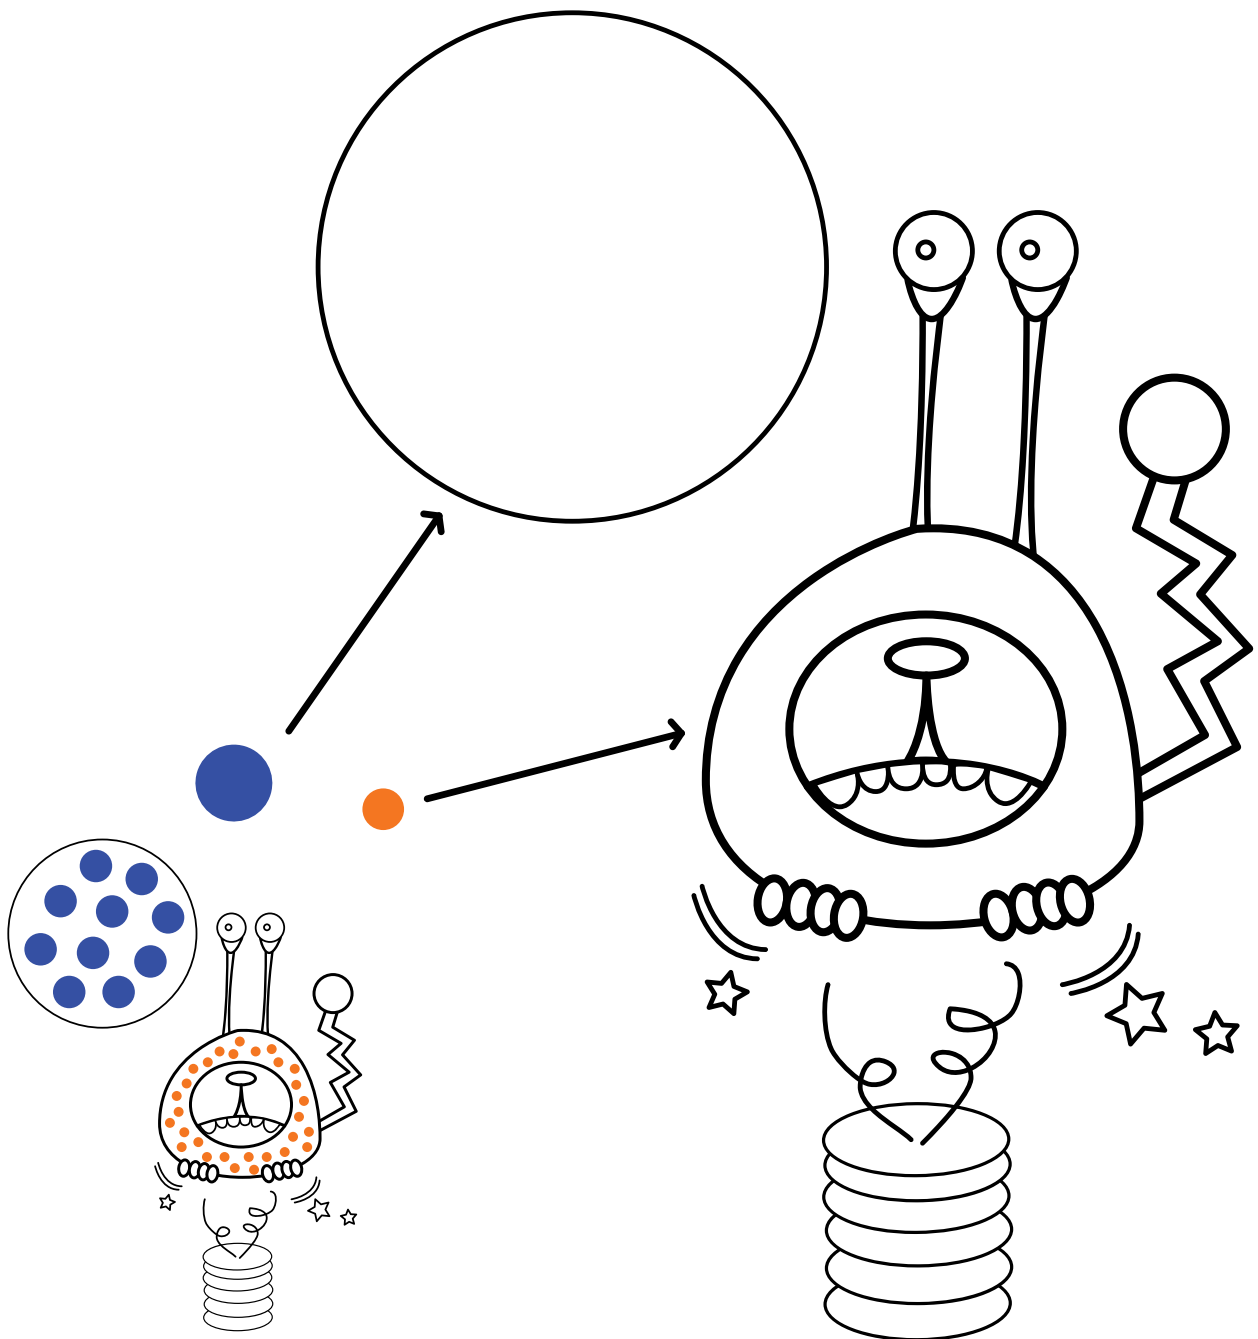

Learn colors and paint

You need:

-  Watercolor pencils
-  Brush
-  Water

Paint craters on the planet by making blue spots. Paint alien scales making him the orange spots on the body.

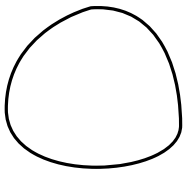

Learn to draw

You need:

-  Eraser
-  Crayons

Draw an alien following steps.

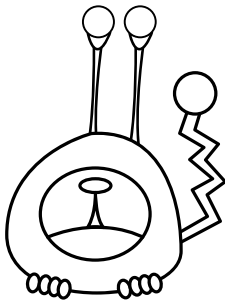

1

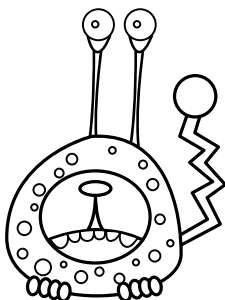

2

3

4

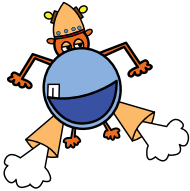

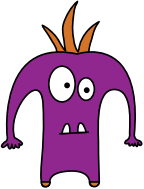

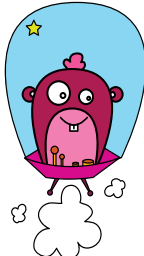

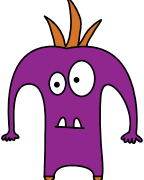

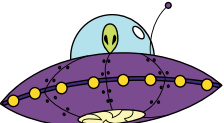

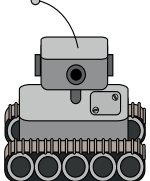

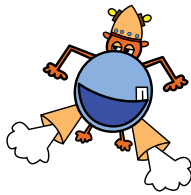

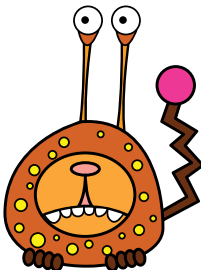

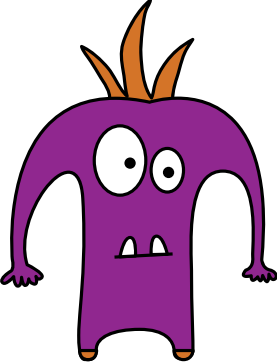

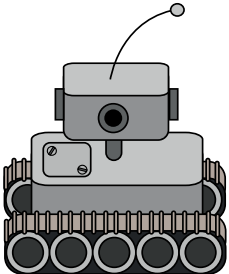

You need:

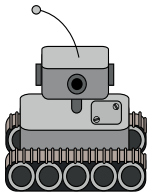

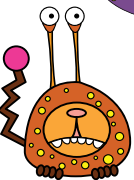

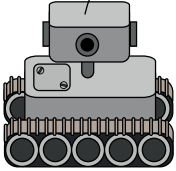

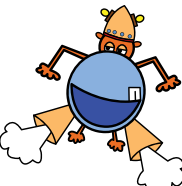

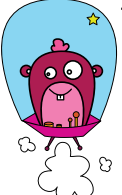

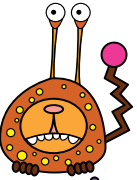

1 pen

Indicates the number of space figures there is in each thumbnail and surrounds the thumbnail that contains the greatest number.

			
			
_____	_____	_____	_____

	
	
_____	_____

			
			
_____	_____	_____	_____

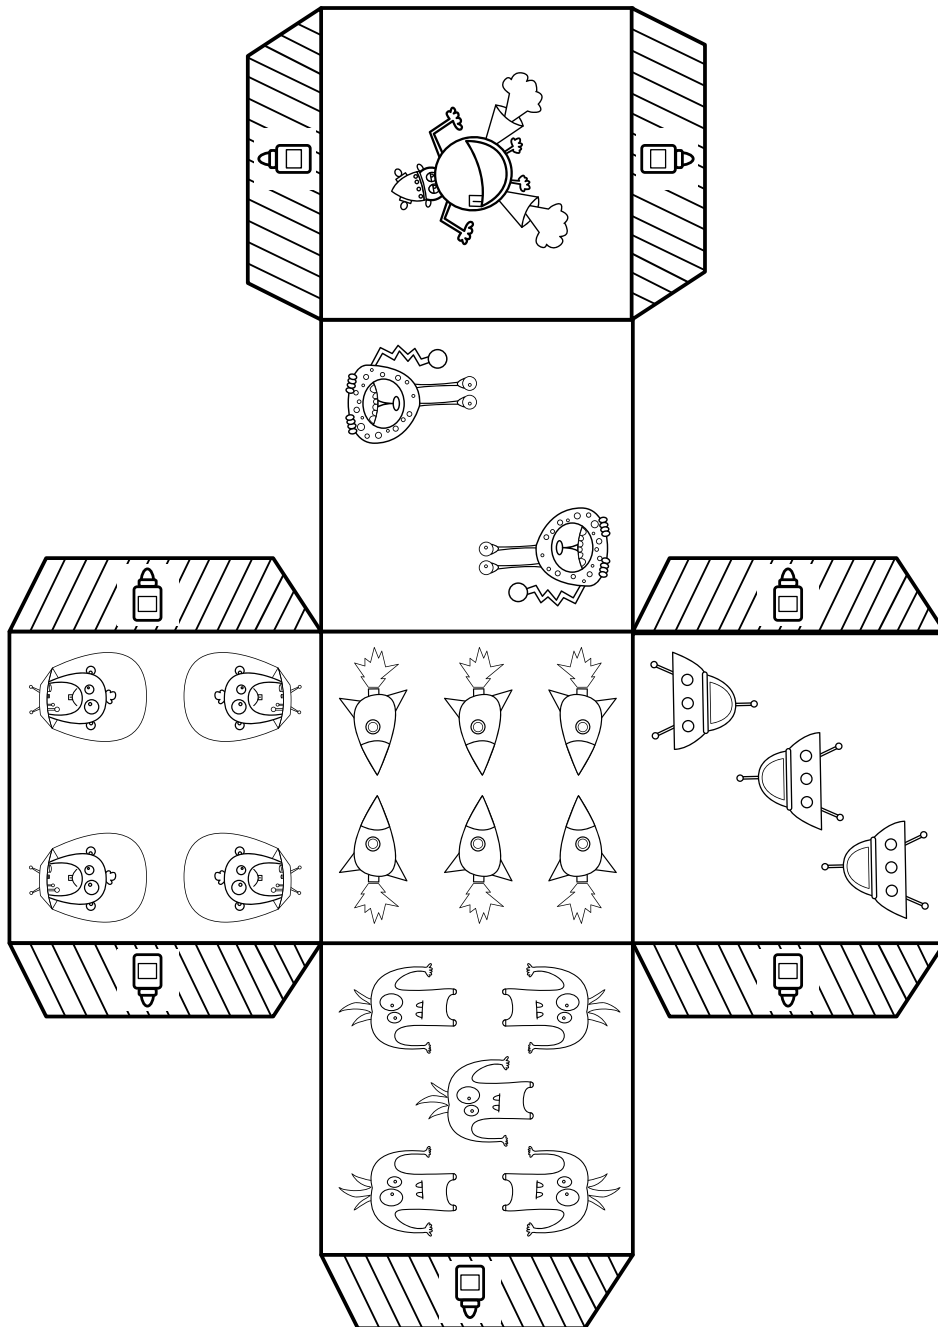

Cut and paste

You need:

-  1 pair of scissors
-  Crayons
-  Glue

Colour the different space figures, cut the pattern and form a dice by folding the sides of the die and glue them through tabs.

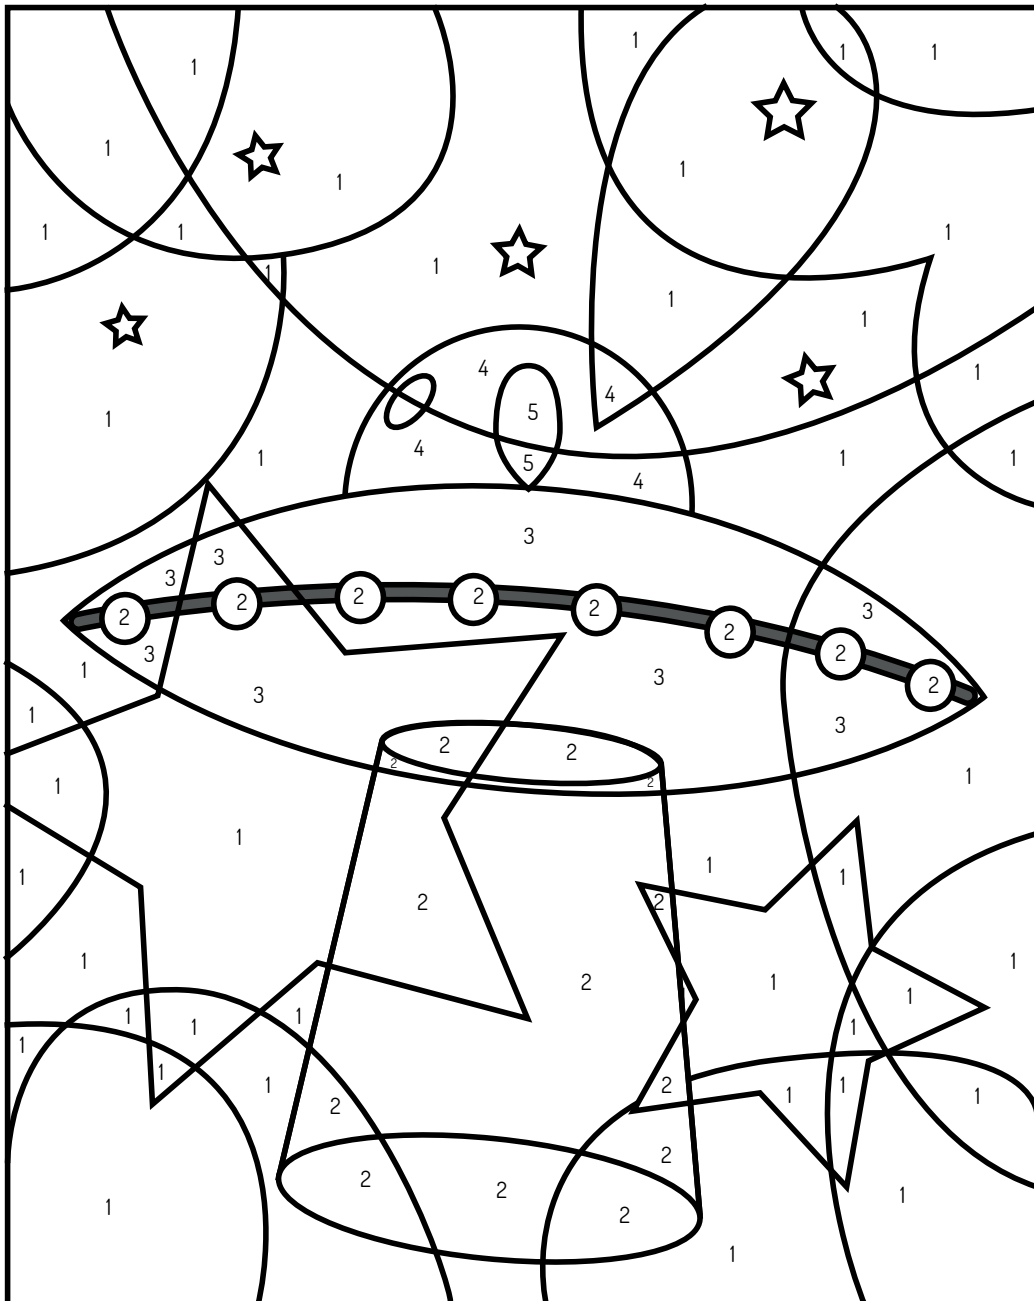

Color without exceeding

You need:

 Felt pens

Colour each box with the correct color.

- 1 
- 2 
- 3 
- 4 
- 5 
- 6 

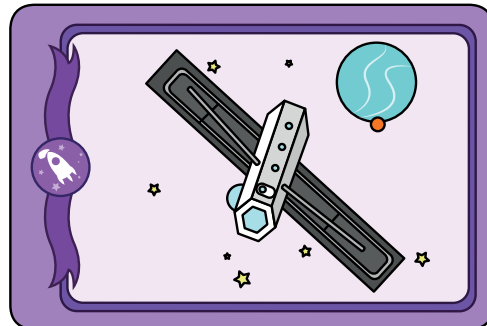

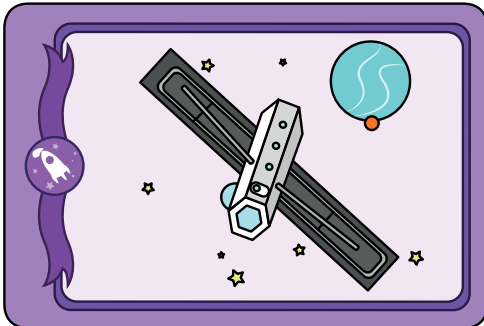

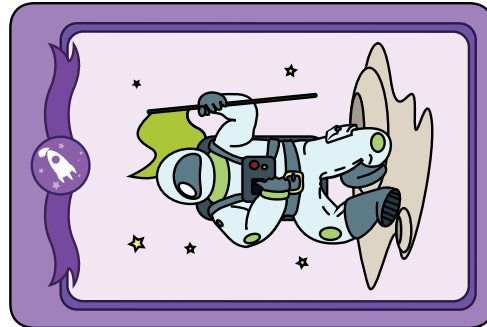

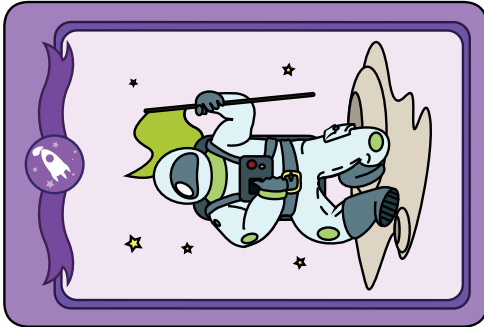

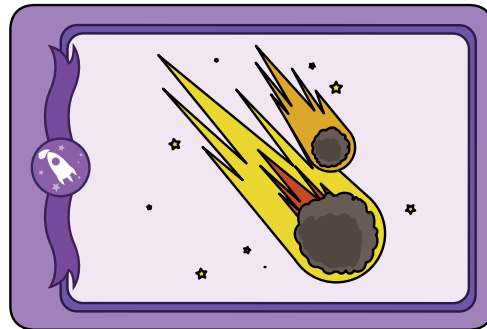

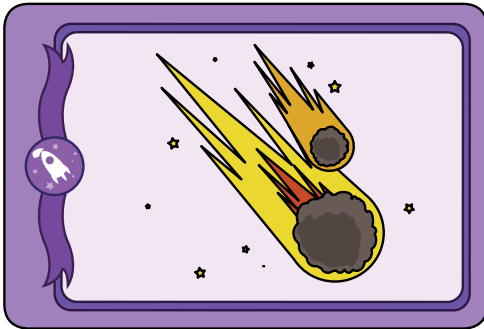

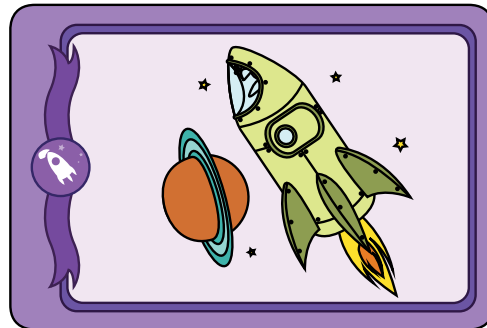

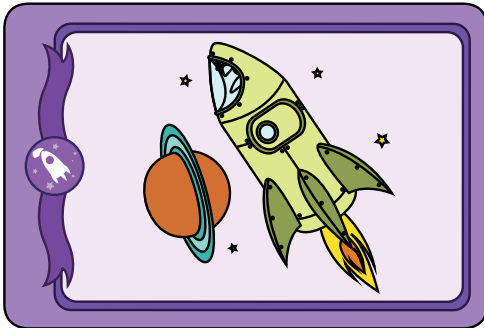

Memory game

You need:

✂ 1 pair of scissors

Make a memory game. Cut each picture then glue on a square of cardboard. Found pairs by turning the cards one by one. You can play alone or with friend or family. If you have already worked on other Bic Kids universes, you can also combine cards of different universes to make the game more difficult.

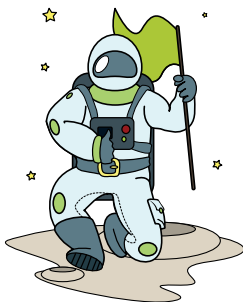

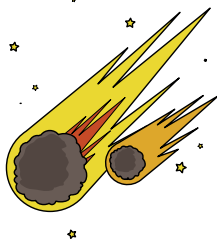

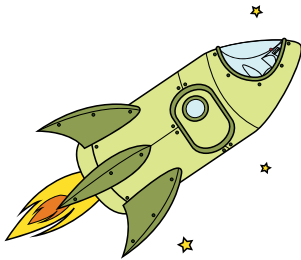

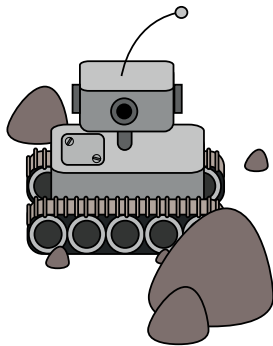

Link

You need:

 1 pen

Connect with a line the description and the space figure that matches.

Meteorite

I move very fast in space and from the earth you can see me as a shooting star.

Astronaut

I am a human being, I explore space.

Robot

I am a machine created by humans to explore the planets.

Rocket

I serve to take astronaut in space. I am very fast.

Observe

You need:

 1 pen

Trace a red cross on the seven differences of the alien on right.
