

My activity book

A large, empty rectangular box with a yellow border and two horizontal dashed lines inside, intended for a child's name or drawing.

Transports

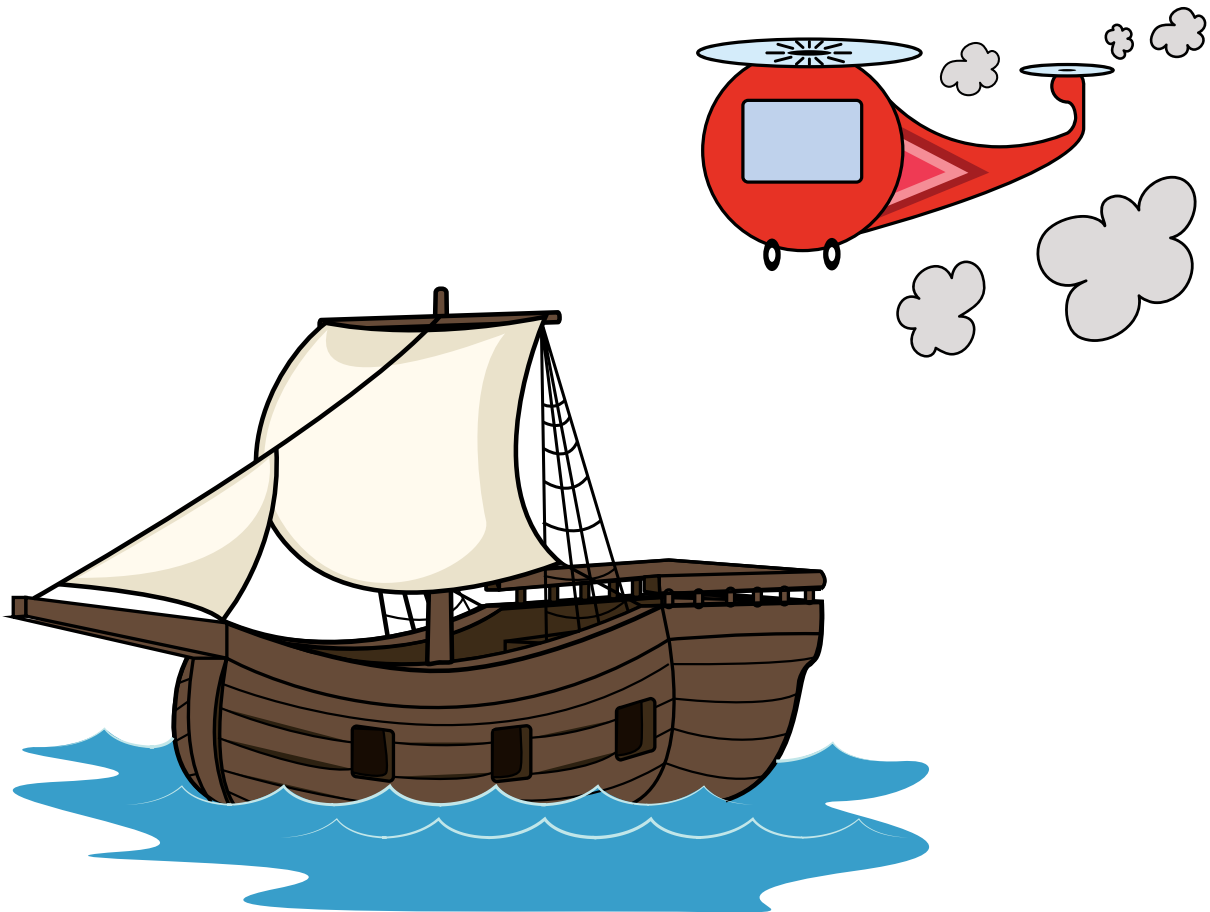

Transports

What are transports?

To travel, humans have invented since their appearance on Earth **many ways to get around**. A conveyance is in a more general sense an accessory used by a human being in order to move from one place to another.

There are different conveyance such as **car, motorcycle and bicycle** which are individual transportation. There are also conveyance which are common such as **bus, subway, train, taxi, tram...** and many others.

There is also **ships and planes**, which are mass transport means. It is used for driving **long distances**.

Identify letters, reproduce and write them

You need:

 1 pen

Filled boxes crossword with the words in the box below.

A crossword puzzle grid is shown with five words already filled in. The words are: BOAT (horizontal, 4 letters), BALLOON (vertical, 7 letters), CARRIAGE (vertical, 7 letters), BIKE (horizontal, 4 letters), and TROTINETTE (horizontal, 8 letters). Each word is accompanied by a dashed-line illustration of the object it represents.

A word bank containing five items, each with an illustration and a label: BOAT, BIKE, CARRIAGE, BALLOON, and TROTINETTE.

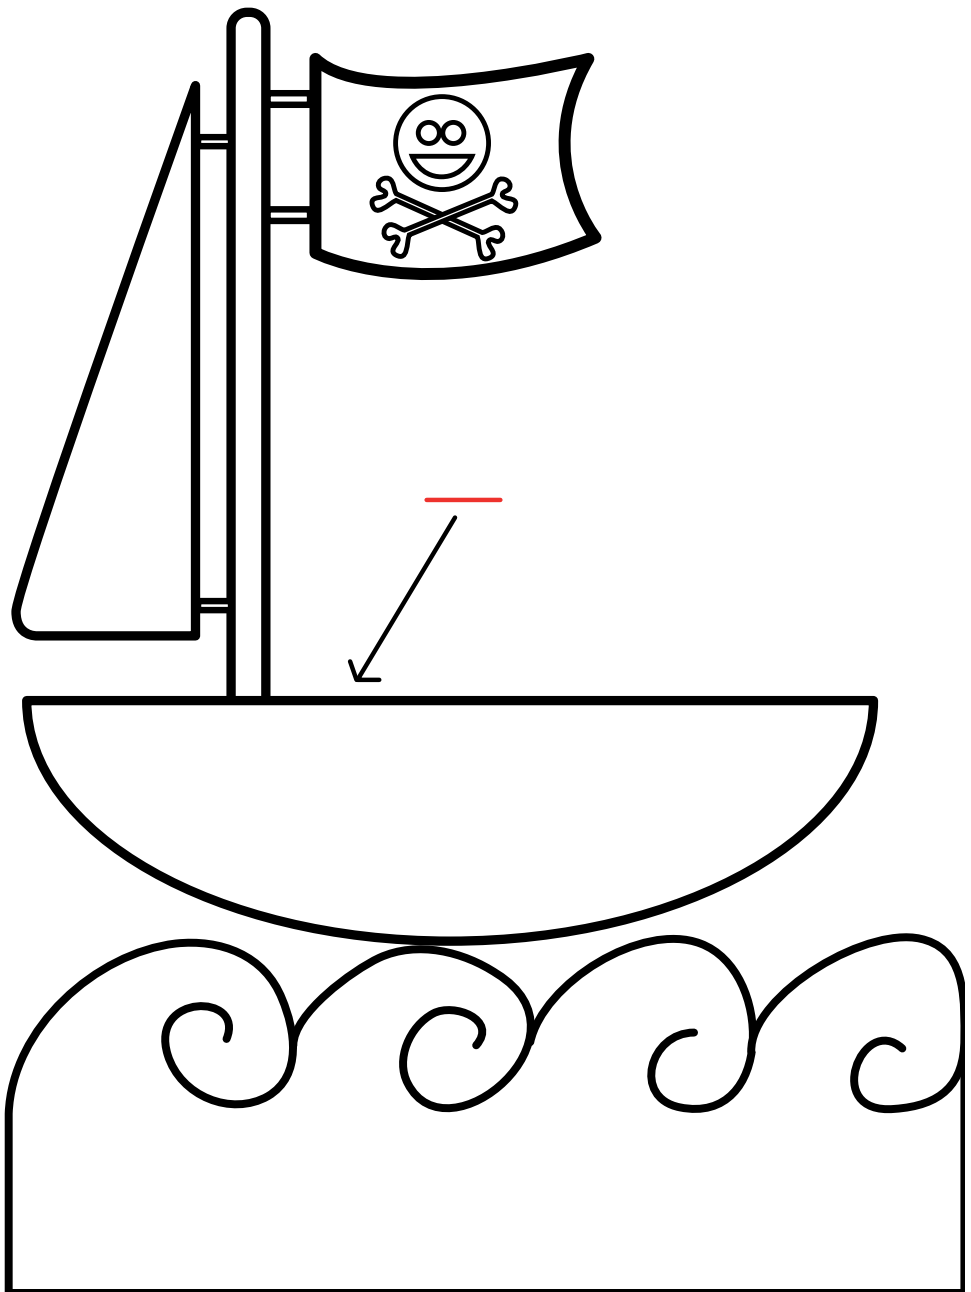

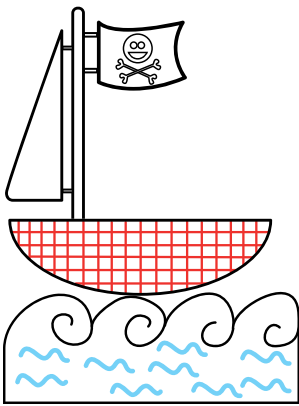

Learn colors and paint

Learning to count

You need:

 1 pen

Indicates the number of conveyance on each line and surrounds the thumbnail that contains the greatest number.

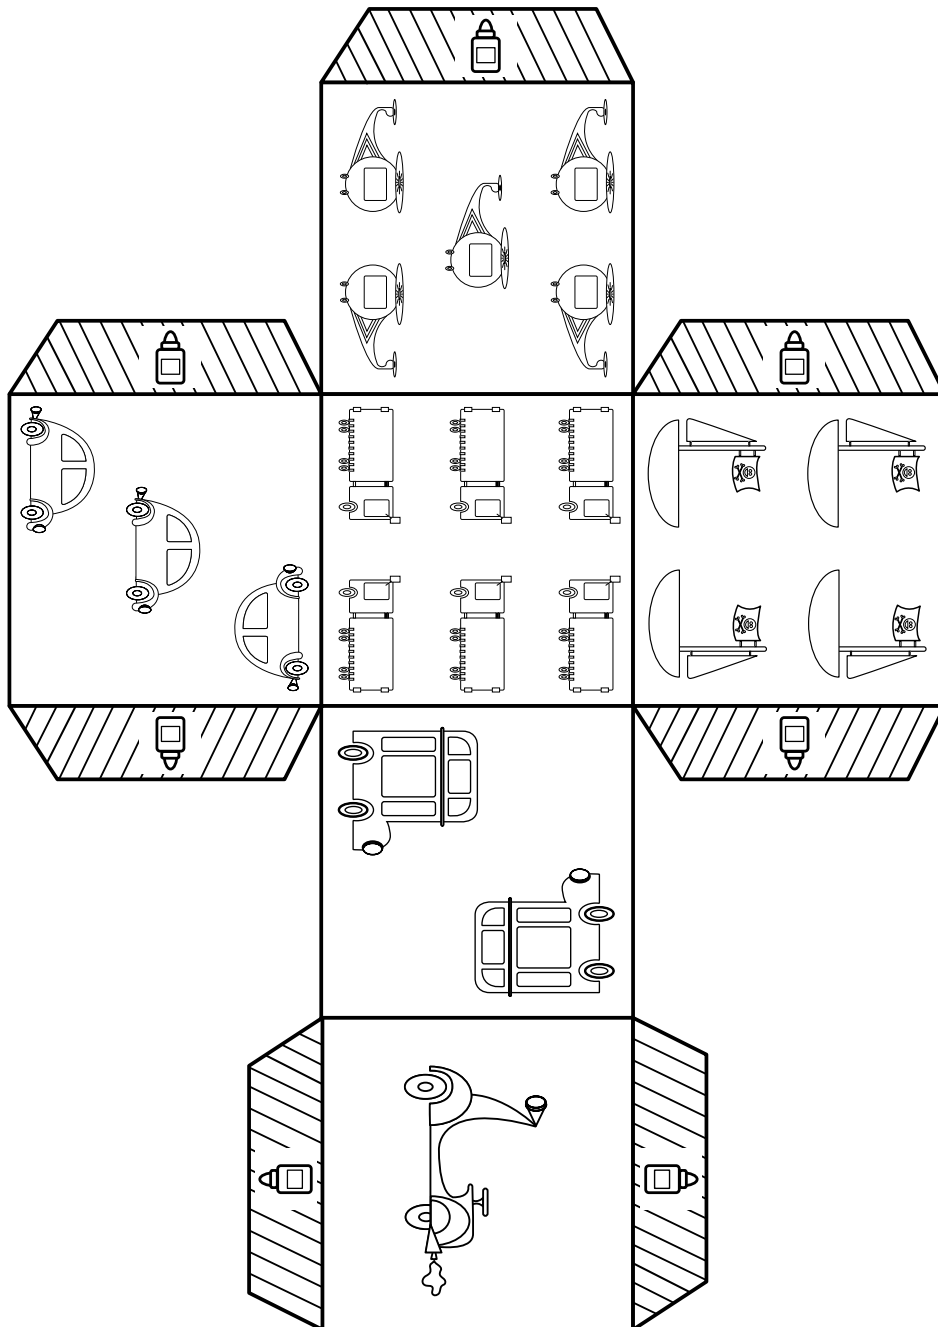

Cut and paste

You need :

-  1 pair of scissors
-  Crayons
-  Glue

Color the conveyances, cut the pattern and form a dice by folding the sides of the die and glue them through tabs.

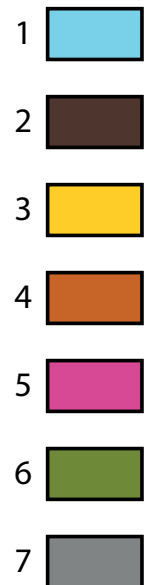

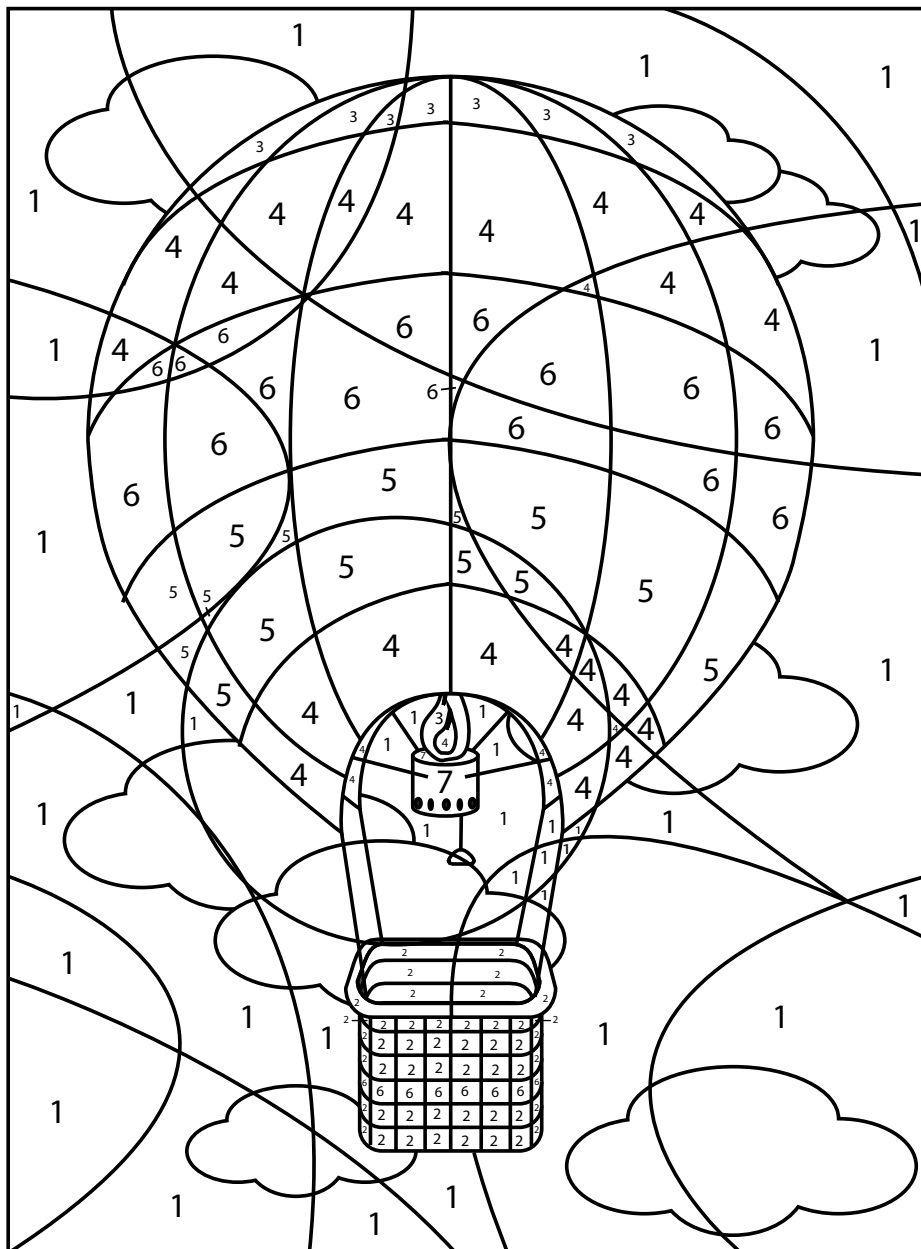

Color without exceeding

You need:

 Felt pens

Colour each box with the correct color.

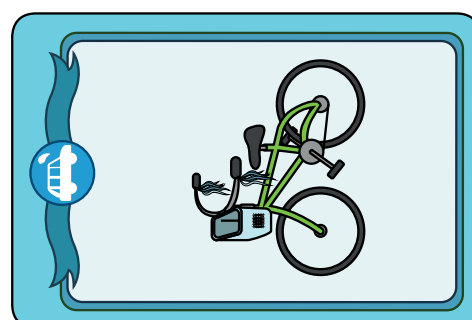

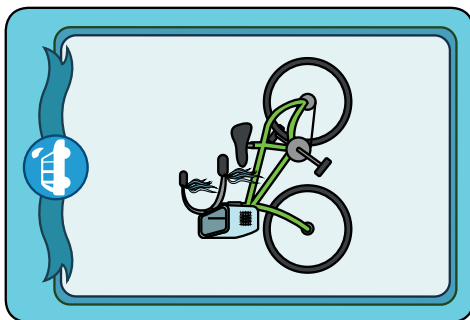

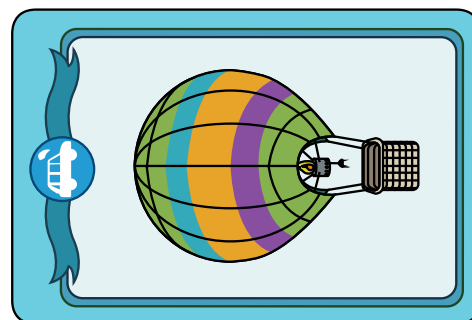

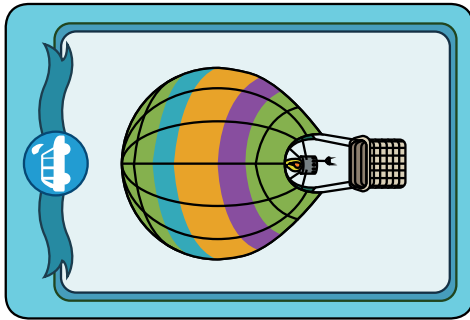

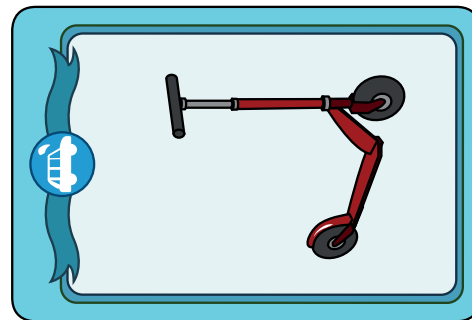

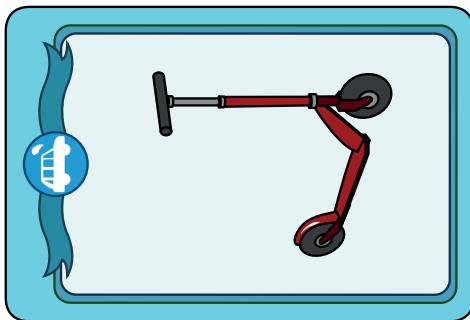

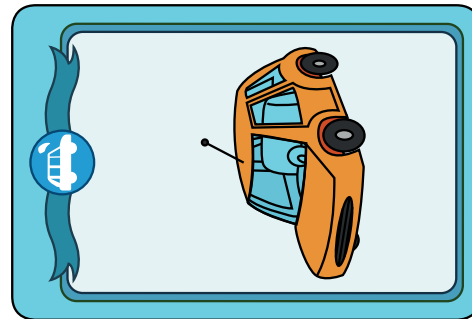

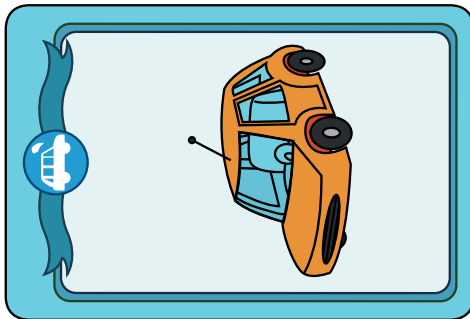

Memory game

You need:

✂ 1 pair of scissors

Make a memory game. Cut each picture then glue on a square of cardboard. Found pairs by turning the cards one by one. You can play alone or with friend or family. If you have already worked on other Bic Kids universes, you can also combine cards of different universes to make the game more difficult.

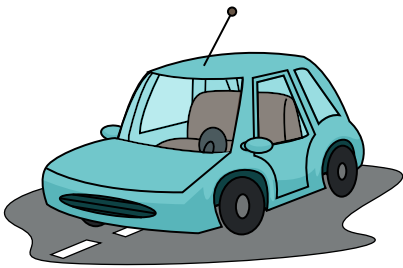

Link

You need :

 1 pen

Connect with a line the description and the conveyance that matches.

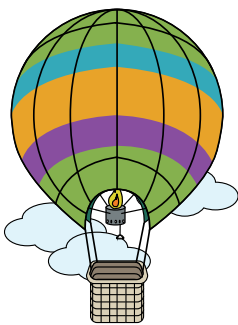

Balloon

With me you can move in the air. I am composed of a nacelle and a large balloon.

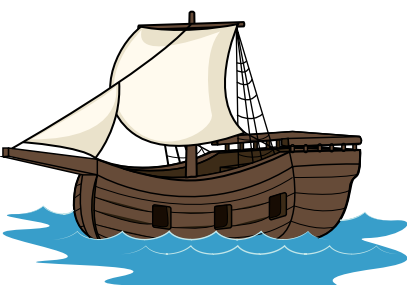

Boat

With me you can move on the water. My hull is made of wood and the wind blowing in my sails keeps me going.

Car

With me you can move into town. I am motorized and I have four wheels.

Carriage

With me you can move on land. I go to the speed of a horse and I have two large wheels.

Observe

You need:

 1 pen

Trace a red cross on each of the six differences on the locomotive below.
